Supt Census Bureau

Dear Sir:

On Saturday last I saw James Fort-Eng Assistant Marshal for Stewart County. In conversation with him I asked him how it was that Stewart County had fallen off in the Census returns since 1859 he assured me that such was not the case. In further conversation he informed me that where any farmer owned a number of negroes of the same age he had put the number in the column & had entered them all in the same line by looking to this matter you will find that the population of Stewart County overruns the number reported by me some 1800 to 2660 persons over the amount reported by me.

Respectfully

Yours Obt Servt
